Dear *All/Sir/Madam,*

M/o Social Justice and Empowerment (MSJE) is implementing Pradhan Mantri Adarsh Gram Yojana (PMAYG), which aims at saturation of the requirements of people identified through a detailed need assessment exercise against 50 monitorable indicators. The Social Justice and Empowerment Ministry aims to cover all eligible villages through this scheme by 2024-25. MSJE has indicated that, 14 out of 17 parameters of the EoL Survey are common to PMAYG monitorable Indicators. Therefore, sharing of EoL data might help the M/o Social Justice and Empowerment from duplication of efforts.

MSJE has requested Ministry of Rural Development for sharing the EoL data to know the saturation status under PMAGY and for evidence based beneficiary selection through de-duplication. Out of the list of 26,902 villages identified under PMAGY, shared by the M/o SJ&E, 26,307 villages have been found in EOL master (**list enclosed**). Data of 4,160 villages have been completely uploaded in EOL portal by the States and data of 271 villages are verified.

I would therefore, request you to take necessary action and direct the concerned officers to fast track the completion of the EoL Status Survey in the villages identified under PMAGY. The State wise list of 26,307 villages in EOL Master, which is common with the villages of PMAGY is enclosed herewith for reference.

Warm regards

Yours sincerely,

Banerjee
