D.O. Q-16014/02/2019-AI (RD)

Dear All,

This is regarding extension of timeline for completion of "Ease of Living (EoL) Status Survey" 2020. You are aware that M/o Rural Development is facilitating conduct of Ease of Living Status Survey, by all the States and UT Administrations based on a Universe as per SECC deprivation/automatic inclusion data. Results of the survey holds a promise to bring out the status of saturation of most of the ongoing flagship schemes of Govt. of India. I appreciate the efforts so far been made by the States/UTs in conducting the EOL survey and the progress made so far.

2. The "Ease of Living Status Survey", was launched on 20.1.2020 and was scheduled to be completed by 20.4.2020, but due to the current unprecedented situation arising out of COVID 19 pandemic crises, the EOL Survey could not be completed till date. Having completed survey of almost 30 % of the households, we are yet to complete the remaining 70% of the target. It has therefore, been decided to extend the timeline for the fieldwork of the survey by three months i.e. upto 20.7.2020 when we officially freeze the data feeding.

3. I would, therefore, request you to take necessary action and direct the concerned officers to complete the EoL Survey as per the revised timeline.

Warm regards,

Yours sincerely

Banerjee
