D.O. Q-16014/02/2019-AI (RD)-Part (2)

Dear Colleagues,

You are aware that M/o Rural Development is facilitating conduct of the ongoing 'Ease of Living Status' (EoL Status) Survey, by all the States and UT Administrations. Results of the survey hold a promise to bring out the status of saturation of ongoing flagship schemes of Govt of India among the deprived households. I appreciate the efforts made by the States/UTs, in conducting the EOL survey and the progress made so far despite the trying times that we are facing due to Covid 19 pandemic.

The "Ease of Living Status Survey", was launched on 20.01.2020 and was expected to be completed by 20.07.2020 with the extended period of two months than original schedule. But due to the current unprecedented situation, survey for more than 50% GPs could be completed only in 6 States including States of UP, Gujarat, Uttarakhand, Haryana etc., while the national average is 25.8% till 16th July, 2020. Yet survey of another 27.4% of GPs has taken off as per status of uploading of data (Annexure-I).

I would like also to share with you that DoRD has received requests from a number of Ministries/Departments for sharing the EoL data to know the saturation status under their flagship programmes and for evidence based beneficiary selection through de-duplication. It has therefore, been decided to expedite and complete the survey with another **extension of the timeline for the fieldwork of the survey upto 20.09.2020**, when we officially freeze the data feeding.

I would, therefore, request you to take necessary action and direct the concerned officers to complete the EoL Status Survey as per the revised timeline.

With warm regards,

Yours sincerely,

(Nagendra Nath Sinha)

Encl.: as above.

Additional Chief Secretary/ Principal Secretary of Rural Development of all the States/UTs
